

Registration

We understand there are many factors to consider when helping your child with course selection and elective decisions. While Roswell counselors are not able to meet individually with rising 9th grade students and parents, we do have several resources available to you to address your registration questions.

- 1. Roswell Registration Email** - askroswellcounselors@gmail.com
Open from January 28 to April 30 and monitored by an RHS counselor. Please send any and all registration questions to this email and expect an answer within 48 hours.
- 2. Roswell Course Catalog** - <https://roswellhornets.org>
Review the 2019-2010 course catalog for detailed information on placement recommendations for 9th graders, elective offerings and more.
- 3. Rising 9th Grade Parent Night** - High school 101 presentation
Visit www.roswellstudentservices.weebly.com for information regarding course sequencing, available pathways and finding the right balance.
- 4. For current 9th-11th Grade Students** - Counselors will meet individually with students from January 28-March 7. Parents, please review what we discuss with your student and sign-off on the course verification sheets coming home soon!

Please speak to the middle school regarding questions related to opt in/out of high school classes in 8th grade, summer school registration, teacher recommendations and completing the registration form. We look forward to working with you and your future Hornet!
