Roswell High School is one of 17 comprehensive high schools in the Fulton County Public School System. While the city of Roswell has grown enormously since the school began in 1949, many things have remained the same—strong community support, engaged parents, and a spirited student body.

Students support Habitat for Humanity, Race for the Cure, North Fulton Community Charities, and raised thousands of dollars for Leukemia research through Pennies for Patients. RHS also offers over 70 clubs for students to participate in including fencing, ultimate Frisbee, animal rescue, Beta, Interact, Key Club, various cultural organizations, and over 11 academic competitions.

The school year is divided into two 18-week semesters, the first ending in December and the second in May. Students take 6 classes each semester. Each semester course is awarded ½ credit with the exception of dual enrollment (Move on When Ready) courses, which are awarded 1 credit per semester. Students have the option of completing course requirements virtually through Fulton Virtual School and/or Georgia Virtual School, either for first-time credit or for credit recovery.

From the Principal...

Welcome to the 2019-2020 School Year at Roswell!

It is my humbling privilege to serve the Roswell community as the principal of Roswell High School. For over 70 years, Roswell High School students have excelled at academics, athletics and the fine arts and have been leaders in our community. Whether you are a new student or a returning Hornet, I am excited to be able to welcome you!

With over 2,000 students and almost 200 adults who work in our building every day, it is important that we have rules and procedures in place to make sure that we can accomplish our primary mission which is the education of students. I would encourage you to take some time to read this handbook and, if you have any questions, please reach out to a teacher or administrator.

I have every confidence that the 2019-2020 school year is going to be one of the best in the proud history of Roswell High School. I am glad that you are going to be a part of it.

Go Hornets

Academics

Grades and Evaluation

Students will receive numeric grades on report cards for each course completed.

Grade Level Assignments

Students will stay with their class for all school activities for their freshman year only. Assignments beyond the freshman year will be determined by the number of credits (units) the student earns. To be promoted to the next level, freshmen must earn five credits, sophomores must earn 11 credits, and juniors must earn 17 credits.

Grading Scale

Grade

A 90 and above

B 80-89

C 70-79

F 69 and below*

*By state rule, any grade below 70 is failing.

Advanced Placement, Honors, and Joint Enrollment carry a weighted grade of an additional 7 quality points which are added to the final semester averages.

Senior class valedictorian and salutatorian will be chosen at the end of first semester. Eligible students must have been in attendance at RHS five consecutive semesters. Students will be identified to be an honor graduate at the end of the first semester of the senior year if their numeric average is an 88 or greater.

Progress Reports

Interim reports will be issued every six weeks of each semester and will reflect the student's performance at those times. After the first six-week period of the school year, progress reports will be updated in Infinite Campus every three weeks. Parents should feel free to contact the school at any time during the semester. Administrators, counselors, and teachers stand ready to discuss student placement or performance.

Recovery Policy

Opportunities designed to allow students to recover from a low or failing major assessment grade will be allowed when the overall grade falls below 70. Students attempting recovery will earn no more than 75% of the original max score. Prior to attempting recovery, student should have demonstrated legitimate effort in remediation (reviewing previous assessment with teacher, attending extra help sessions, etc.) Students should initiate the recovery process by indicating their desire to attempt recovery to the teacher within five days of the grade being posted in Infinite Campus. All recovery work must be directly related to course objectives and must be completed ten school days prior to the end of the semester.

NOTE: Content course teams have the flexibility of implementing more liberal recovery policies providing all teachers on the team are consistent in their practice and the policy is shared with students and parents.

Semester System

All schools in Fulton County operate on the semester system. Students take six classes each semester.

Attendance

Absence is one of the major causes of poor work and failure in school. It is the position of the administration and faculty that every class meeting is important. Anything less than perfect attendance will have a detrimental impact on the grade and learning for the semester. Studies show that frequent absence is a predictor of future dropouts. A note signed by the parent or legal guardian explaining the nature of the absence is required within five days of the student returning. Missing 30 minutes or more of a class period constitutes an absence (except for first period, 20 minutes is considered an absence).

O.C.G.A. Law

The Fulton County Board of Education considers regular school attendance essential to successful school progress. Students must be present to take full advantage of available educational opportunities. The Board supports vigorous enforcement of Georgia's Compulsory School Attendance Law which makes school attendance the responsibility of the parent and the student. When possible, parents should avoid scheduling or arranging activities that require absences during the school day due to the detrimental impact on the student's access to, and progress in, their educational program. Any child in the state of Georgia subject to compulsory attendance who during the school calendar year has more than five (5) days of unexcused absences is considered truant (Georgia State Board of Education Rule 160-5-1-.10). Board Policy JD, Student Discipline, outlines consequences for failure to comply with this law. The district also maintains a Student Attendance Protocol pursuant to

O.C.G.A. 20-2-690.2 which contains detailed information regarding truancy procedures and referrals. A copy of this Protocol can be found on the district website.

Late Arrivals/Early Checkout:

- A parent or guardian may be required to bring appropriate documentation for early checkout at the time the student is released from school or late arrival at the time the student arrives at school.
- Early checkouts cannot be processed by telephone, email, or fax.
- A student is tardy when he/she arrives to school after the beginning of the official school day or is not in the assigned class at the official beginning of the class period.
- A student tardy may be classified excused or unexcused based on the circumstances defined in this policy.
- Fifteen (15) unexcused tardies result in a referral to the school social worker.
- Principals may develop additional guidelines concerning tardies in their buildings.

Excused Absences

For purposes of "immediate family," the legal definition of an immediate family member is "immediate family" means a spouse, child, sibling, or parent or the spouse of a child, sibling, or parent" O.C.G.A. 20-2-58.1 (2010)

In accordance with State Board of Education Rule 160-15-1-.10, a student's absence from school or class will be considered excused when it is due to any of the following circumstances.

- Personal illness of the student

- Attendance at school would be detrimental to the health of the student or others
- A serious illness or death in the student's immediate family necessitating absence from school
- Compliance with a court order or an order issued by a governmental agency, including an order for a pre-induction physical examination for service in the armed forces, mandating absence from school
- Observance of religious holidays, necessitating absence from school
- Conditions rendering attendance impossible or hazardous to the student's health or safety
- An absence not to exceed one-half day for registering to vote. Students may register to vote at their high school
- Up to six (6) school days per year to visit with a parent or guardian who is on leave from, or is being deployed to military service

Additionally, the District allows excused absences for the following:

- Absences not exceeding a cumulative total of six (6) days per school year for the following reasons, but only if the absence has been pre-approved by the principal of designee:
 - Scholarship interviews/college visitations
 - Travel opportunity with educational benefits
 - Graduation or wedding of an immediate family member
 - Specialized, supplemental or extracurricular experience
 - Other circumstances that are mutually agreeable to the parent and principal
 - Individual or groups of students may be absent from a segment or period of the instructional day for school-sponsored, non-instructional activities as defined in Policy IED - Uninterrupted Instructional Time.
 - School days missed as a result of an assigned out-of-school suspension/expulsion.
 - Additional absences due to medical appointments may be excused by the principal or designee. These absences must be approved by the principal or designee in advance of the absence occurring. The parent/guardian must provide appropriate documentation as outlined in this policy. The final decision to excuse such an absence rests with the principal.
 - Students participating in Dual Enrollment should not be counted as absent. It is the responsibility of the student and/or parent/guardian to present a satisfactory written excuse to the principal or designee(s) within five (5) days of returning to school from an absence in order for the absence(s) to be recorded as excused. The excuse must state the reason for the absence and be signed by the student's parent or guardian. Excuses will be kept on file at the school at least until the beginning of the next school year. Students who have missed ten (10) days of school or more in a school year will be required to provide additional written verification such a doctor's statement.

Absences Recorded as Present

- Students serving as pages in the Georgia Assembly shall be recorded as present.
- Foster care students are students who are in a foster home or otherwise in the foster care system. A foster care student who attends court proceedings relating to the student's foster care should be recorded as present by the school and school not be counted as absent for any day or portion of day.

Unexcused Absences

A student's absence from school or class for any reason other than those listed above will be considered an unexcused absence. Unexcused absences may result in disciplinary action. Please see Operating Guideline JD-Student Code of Conduct, Attendance Section and Rule 12: Unexcused Absences for additional information.

Make-Up Work

- Principals should ensure procedures are in place for the timely provision of make-up work
- Make-up work may be requested before, during or after the student's absence. However, availability of make-up work prior to an absence will be provided at the discretion of the teacher.
- Textbooks and other instructional materials may be requested for the student's use during the period of absence and must be returned promptly when the student returns to school.
- Upon returning to school following an absence, it is a student's or parent/guardian's responsibility to contact the teacher or teachers to request make-up work. The contact should be made on the day the student returns to school unless the teacher allows a longer time.
- School days missed as a result of an assigned out-of-school suspension/expulsion are considered excused absences (see circumstance 3 under "Excused Absences" above). Therefore, students who are assigned a suspension/expulsion who are not participating in the alternative education program are permitted to make up their work pursuant to the provisions of this policy.
- Make-up work must be completed by the student within the time specified by the teacher. Work missed during the last week of the semester must be made up by the tenth school day of the next semester.
- Grades for make-up work will be earned per the following:
 - Elementary students will receive the actual grade earned on any make-up work submitted on time, regardless of whether the absence is excused or unexcused.
 - Final course grades of middle and high school students shall not be penalized because of absences if the following conditions are met
 - the absence is for one of the reasons listed as excused previously;
 - a written excuse has been submitted in accordance with this Board policy; and
 - the make-up work has been completed satisfactorily within the time specified by the teacher.

Parent Notification/Involvement

It is the responsibility of the classroom teacher to take attendance and notify the school administration of absences. Local school administrators shall establish effective means of communicating with parent(s)/guardian(s) about students regarding individual student attendance. Each school is required to notify the parent, guardian or other person who has control or charge of the student when such student has five (5) unexcused absences. The notice shall outline the penalty and consequences of such absences and that each subsequent absence shall constitute a separate offense. After two (2) reasonable attempts to notify the parent, guardian or other person who has charge of the student, the school shall send a written notice via first class mail.

Attendance Procedure

Any student who has been absent from school shall present a written excuse before school begins to the attendance clerk within five (5) days of returning to school. **Under no circumstances are attendance notes accepted after five (5) school days.** The excuse must state the reason for the absence, include a telephone number where the parent can be reached, and be signed by the student's parent or guardian. Students who have missed 10 days or more of school in a school year will be required to provide additional verification including doctors' statements.

Student/Athlete Attendance:

Athletes must be present one half of day (12:05 p.m.) on the day of any event for eligibility to practice or play in games.

Prearranged Absences

NOTE: A PREAPPROVED ABSENCE IS NOT NECESSARILY AN EXCUSED ABSENCE.

Approved absences will be limited to six days for an entire school year. However, preapproved absences will not be granted during the final two weeks of the semester. The final decision for approving an absence rests with the principal.

If it is known in advance that a student will be absent, a parent note should be submitted to the attendance office one week (5 school days) prior to the absence. If the prearranged absence is approved by the principal, the student will be given a form for each teacher to sign. Students may request work that will be missed during the absence. This form must be returned to the attendance office prior to the absence.

PREAPPROVED ABSENCES ARE NOT GRANTED AFTER THE DATE OF THE ABSENCE.

College Visitation

11th and 12th graders (9th and 10th graders are not eligible) who are planning on attending college may take up to six college visitation days prior to May 1. No college visitation days will be granted during the final two weeks of the semester. A parent note must be turned into Student Services 3 days prior to the visit in order to receive a two- part college visit form. The student must complete and return the Notification of Intent to Visit a University/College form to the attendance window one day prior to the visit. The student must return the Confirmation of a College Visit form to the attendance window within 5 days of returning. Failure to complete proper paperwork, within the set time frame, will result in an unexcused absence.

Siblings and friends will not receive an excused absence to attend a college visit.

Extended Absences:

Student work may be requested by calling the student services secretary when a student is absent four or more consecutive days. The parent will be able to pick up the missed work at the end of the day following the request.

Illness at School

Students who do not attend class due to illness at school must report to the clinic immediately. Failure to do so constitutes a class cut.

Checking Out

To arrange a checkout, the student must take a written request, signed by the parent/guardian, to the attendance office before school. The request should include the reason for the checkout, parent/guardian signature, and a telephone number for parent verification. The request will be verified, and the attendance clerk will issue a checkout pass to the student. When it is time for the student to leave, the student will show the teacher the checkout pass. The student must check in and out through the attendance office (not the clinic). Students who are leaving from the clinic are reminded that they must stop by the attendance office to sign out. If a student is checking in or out for a doctor's appointment, students must present a doctor's excuse within **5 days** of returning to school. **Attendance notes WILL NOT be accepted after 5 days.**

Failure to check in and out through the attendance office may result in disciplinary action.

Due to student safety concerns, a written note or a parent "walk-in" is the only accepted documentation for a student to check out of school. Early dismissals cannot be processed by telephone, email, or fax.

A reminder that all adults asking to check a student out of school must have a valid, government issued, picture identification. Any adult checking a student out of school must be previously identified on the school's Student Information System as an emergency contact.

THERE ARE NO WALK-IN CHECK OUTS AFTER 3:00 P.M.

Check-Out/Check-In Rules

After the fifth check-in/check-out, from the attendance office or clinic, a doctor's note will be needed for an excused absence to be considered. Exceptions for serious medical problems will be handled on an individual basis. Checkouts during final exams will be only be allowed between the exams with parent pickup. Once on campus, students may not leave without checking out through the attendance office. (If students are not in school for the full day and come on campus for any reason, they must check in and out of school.) Students arriving on campus after 8:20 a.m. are required to check in at the attendance window.

Internship Program/ Work-Based Learning Dismissal

Students on Internship/Work-Based learning programs must leave the campus upon dismissal from classes. Students who fail to abide by this rule will be given one warning. On the second offense, they may be assigned to a study period and will forfeit their early release.

Tardy to School

Students tardy to school must report to the attendance office before going to current class. Students may not enter the classroom without a pass from an administrator or attendance clerk. Tardies to school will follow the discipline cycle for tardies to class with the addition of loss of parking privileges if a student

exceeds 7 tardies to school per year. Excessive tardies are considered by the administration to be failure to follow instructions to arrive at school/class on time.

Tardy to Class

Students late to class are required to sign the teacher's tardy book. The following disciplinary consequences will result for tardies to class and unexcused check-ins to school:

- 1 to 3 tardies- Teacher warning/detention
- 4 to 6 tardies- Public detention
- 7 to 9 tardies- Friday School
- 10 or more- I.S.S.

Cumulative Tardies to All Classes

- 11 or more tardies – I.S.S

Truancy and Class Cuts

Truancy, class cuts and leaving campus without permission are considered major violations.

Field Trips/School Activities/Athletic Checkouts

In order to participate in a field trip, school activity, or athletic event, students must have a record of regular school attendance. Students with excessive absences or tardies (i.e. 5 or more absences/5 or more tardies per semester or major discipline issues/violation) may lose the opportunity to participate.

Athletics and other Extra-Curricular Activities

All extra-curricular activities have the same behavior expectations, which are in effect during the regular school day for student spectators and participants. Students must be counted present in school on the day of the activity in order to participate in any practice and/or game. A firm and fair policy of enforcement is necessary to uphold the regulations and standards of the county and school. The community, school administrators and the coaching staff feel strongly that high standards of conduct and citizenship are essential in maintaining a sound program. The welfare of the student is our major consideration and transcends any other consideration. All students shall abide by a code of ethics which will earn them honor and respect that participation and competition in the interscholastic activity program affords. Any conduct which results in dishonor to the students, the team, the school, or the community will not be tolerated.

Students who participate in extra-curricular and athletic activities at Roswell High School are held to a higher standard of behavior as they represent Roswell High School, 24 hours a day. Roswell students should be familiar with the rules and policies outlined in Board Policy and the Student-Athlete Handbook.

Cell Phone/Electronic Devices

Cell phone use must not disrupt the educational process or violate Board policies. Inappropriate cell phone usage will result in disciplinary consequences, including confiscation of cell phone by school administration. Students may use school telephones with permission from school personnel.

Dances

Dance chaperones must be parents and teachers. The school is not responsible for lost articles. Students leaving a dance before it is over may not return. Students attending the prom are required to attend school on the last school day before the prom. Please remember that all school rules apply to dances and after school student events. The possession, use, sale, or distribution of drugs and alcohol at a dance will also be referred to local law enforcement.

Students will not be admitted to prom after 10:00 p.m.

Discipline

The Roswell administration has posted online our discipline policies. Students are encouraged to visit the *Discipline* tab on the Roswell website to become informed with school discipline policies. Certain forms of student misconduct or disobedience of classroom rules, school rules, or Board policy make it necessary for disciplinary action to be taken. Students suspended out of school must not be on school property for any reason at any time, including extracurricular social activities, practices and/or sporting events. OSS is considered an excused absence.

Please read the following carefully. Violations of the Acceptable Use Guidelines may cause a student's access privileges to be revoked, disciplinary action, and/or appropriate legal action may be taken.

Fulton County Policy IFBGA

The school system maintains an electronic network (EN) that includes local and wide-area networks as well as access to world-wide networks such as the Internet. Access to the EN, as well as the hardware and software that support access, are the property of the school system, and shall be used solely in support of the school system's instructional and administrative programs. Use of this property is a privilege that may be discontinued at any time. The existing EN is exclusively intended for employees, students and guests using FCS-IT approved.

All use of the EN should be consistent with the school system's goal to promote educational excellence. The EN should be used only in a responsible, ethical and lawful manner in ways that contribute to communication, collaboration, creativity, and critical thinking. Any unauthorized use of the EN or any failure to comply with the local and system-wide provisions relating to use of the EN will be grounds for disciplinary and/or legal action. School principals and department heads shall be responsible for monitoring all use of the EN at their facilities. Student access to the EN shall be under the supervision of a teacher or other appropriate staff member. There is currently no charge for access to the EN when used in accordance with Board policy and procedures.

Internet Safety:

(a) The Superintendent shall, with respect to any computers belonging to the school system and having access to the Internet:

1. insure that a qualifying "technology protection measure," as that term is defined in section 1703(b)(1) of the Children's Internet Protection Act of 2000, is installed and in continuous operation; and

Acceptable Use Agreement for use of Fulton County Schools Electronic Networks and Computers

Regardless of the access provided, all users of Fulton County Schools' electronic networks and computers must complete an Acceptable Use Agreement prior to use of the school's electronic networks and computers each school year. This includes, but is not limited to teachers, administrators,

paraprofessionals, clerical staff, maintenance and facilities staff, technology staff, vendors, students, parents and volunteers.

Fulton County Policy IFBGB (3)

The Internet is the collective name for thousands of computers worldwide, which are connected through phone networks. The computers communicate with the same protocol and have an established Internet address. It is similar to a library of books, written in the same language and having a call number.

However, one difference between the Internet and the Information Technology Center is that our books are acquired according to School Board approved guidelines. Selection of Internet resources, on the other hand, is decided by the end user. The user carries the responsibility of selecting appropriate items to view. This policy describes user behavior and identifies what actions are prohibited.

Services

Student access to the Internet will only be provided through the Fulton County Schools local/wide area network and the school's Internet provider.

Access to the school Local Area Network (LAN) is a privilege available to all students; however the account access may be disabled if student use is inappropriate.

Terms and Conditions for Local/Wide Area Network and Internet Access

The Internet user is held responsible for his/her actions and activity within his/her usage. Fulton County Schools is not accountable for any costs incurred to the user while online. Unacceptable uses of the local/wide area network will result in disciplinary action. Examples of unacceptable use:

15. Employment of the network for financial gain
16. Neglecting to log out all programs and the network when users leave the computer station
17. Gaining unauthorized access to resources

Consequences:

These offenses will fall under technology offenses in the Code of Conduct. In the least, the offenses above could result in the student being denied access to the network for a specific period of time. The overall goal of this discipline is to make the student a responsible, considerate and ethical user of online resources.

Restrictions:

Parent(s) and Guardian(s) of minors are responsible for setting and conveying the standards that their child or ward should follow. To that end, Fulton County Schools supports and respects each family's values regarding LAN and Internet access.

Conditions of Use and Account Management:

Students who access the LAN automatically agree, through a statement on the computer screen, to abide by the restrictions outlined in Fulton County Schools policy for acceptable use. The specific conditions and services being offered may change from time to time. Each student will receive education about appropriate online behavior, including interacting with other individuals on social networking websites, blogs, wikis, discussion boards and in chat rooms, and cyber bullying awareness and response.

Fulton County Schools makes no warranties with respect to Internet service or content. Parents and students should be aware that Fulton County Schools does not have control of the information on the Internet, nor can it provide impenetrable barriers to accessing the full range of information available.

Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. All Fulton County Schools students will be assigned their own network account name with password. Passwords should not be given out to anybody. With this account, students will have their own folder on the school's server to store their work. Fulton County Schools utilizes filtering software to block access to undesirable web sites.

Discipline Steps for Dress Code

- A dress code offense will be considered a disregard for school policy and be handled according to the Fulton County discipline cycle.
- First offense-student warning and opportunity to change clothes. Inability or refusal to change will result in “time out” spent in ISS. Repeated and/or flagrant violations may result in Friday School or I.S.S.

Driver’s License/Certificate of Enrollment

In order to apply for a driver’s license or learning permit, a student must obtain a Certificate of Enrollment from the attendance office. Certificate of Enrollment must be requested 48 hours prior to pick-up. The cost is \$1.00 to be paid at the time of request. Additionally, a student must meet the following conditions:

- To be currently enrolled or have been enrolled for one academic year prior to this or present two consecutive semesters.
- Not found in violation by a hearing officer, panel or tribunal on serious disciplinary offenses including:
 - threatening, striking or causing bodily harm to a teacher or other school personnel

 - possession or use of a weapon on school property or at a school- sponsored event

Students may be in danger of having their driver’s license or permit suspended by the Georgia Department of Driver’s any of the above reasons as well as dropping out of school before their eighteenth birthday. The suspension of the driver’s license or permit shall be the period of one year or shall end on the date of the minor’s eighteenth birthday, whichever comes first. Students and parents will receive warning of the TAADRA law if the student accrues more than 5 unexcused absences in a school year.

Exam Exemption Policy

Student attendance is the determining factor for eligibility to participate in exam exemptions at Roswell High School.

Please note that the ability to exempt an exam is an earned privilege.

New for 19-20 School Year: Exam Exemptions will no longer be determined by period. To be eligible for an exemption, the student must not have been absent from school, or signed out early, a combined total of more than five (5) times during the semester, regardless of the class period.

New for the 19-20 School Year: Of the five (5) absences, one can be considered “unexcused” to be eligible to exempt.

In addition, a student who wishes to exempt may have no ISS/OSS, no more than 2 Friday Schools, and no academic dishonesty violations.

Students may exempt the following number of final exams each semester:

9 th grade	1 exam
10 th grade	2 exams
11 th grade	3 exams
12 th grade	4 exams

Tardies to school will be counted against exam exemptions as follows:

Four Tardies to First Period = Absence

For first period, a tardy of 20 minutes or more is considered an absence

In instances where a student feels he/she should be allowed to exempt when the above conditions have not been met, an appeal may be made to the grade level administrator. The decision of the administrator is final.

Please make sure attendance notes are submitted to the attendance office within five (5) days of returning to school. Parent notes should include the reason for the absence and a telephone number

Pre-approved college visits (up to 6 per school year) for 11th and 12 grade students will not impact exemption eligibility. Requests for college visits and other pre-approved absences must be submitted a week (5 school days) in advance. While observance of a religious holiday will not impact exemption eligibility, a parent note is required for the absence to be considered excused.

Absences due to school sponsored field trips and athletic events for which the student is a member of the participating team will not be counted against exam exemptions.

Additionally, the District allows excused absences for the following:

1. Absences not exceeding a cumulative total of six (6) days per school year for the following reasons, but only if the absence has been pre-approved by the principal or designee:
 - a. scholarship interviews/college visitations,
 - b. travel opportunity with educational benefits,
 - c. graduation or wedding of an immediate family member,
 - d. specialized, supplemental or extracurricular experience,
 - e. other circumstances that are mutually agreeable to the parent and principal,

- *A pre-approval does not mean that the absence will not count against exam exemptions.*
- *A pre-approved absence is not necessarily an excused absence.*
- *Exam exemption is not an option for EOC courses and TAG Internships for Fall semester. Students in AP courses may exempt the final assessment administered during the final exam window in May.*

Fire/Safety/Emergency Drills

Evacuation routes are posted in each classroom. Students should remain with their class and follow instructions from the teacher at all times. Books should be left in the classrooms during a fire

drill/evacuation, but all belongings should be taken during a bomb threat/evacuation. Students should exit the building in an orderly, quiet manner, report to their designated zone, and remain clear of the building until the signal is given to return to class. *Headphones and electronic devices are not allowed to be used during any emergency drills.*

Honor Code

Adhering to high standards of integrity, Roswell considers academic misconduct to be any act that can give unfair academic advantage to a student, a student's grades, or a student's records. Such acts also include lying, stealing, and cheating. Cheating is any dishonesty, written or verbal, tacit or implied. This includes any collusion, sabotage, falsification, or involvement in giving or receiving unauthorized help.

In an effort to make students and parents aware of Roswell's expectations with regard to academic integrity, the following specific acts are considered infractions of academic honesty. Please keep in mind that acts of academic dishonesty are not limited to the list below:

Academic Fraud

- Submitting work from a previous class in a current class (old essays, old lab reports, old projects, old notebooks, past tests, etc.).

- The definition of plagiarism from *dictionary.com* is as follows: “an act or instance of using or closely imitating the language and thoughts of another author without authorization and the representation of that author's work as one's own, as by not crediting the original author”
- Using any graded material (notebooks, tests, essays, lab reports, homework, or other graded assignments from another student, previous or current) without teacher’s permission and direction.
- Manufacturing or creating data or sources.
- Discussion of the content of tests or evaluations to other students outside of class or between classes until every student has been tested. This includes sending or posting images of any test or assessment.

Sanctions

- A. On major assignments, which are defined by the teacher, the student will receive a zero.
- B. On minor assignments, which are defined by the teacher as well, a student may receive a zero on the assignment, may have a chance to resubmit the assignment without penalty, or a chance to resubmit the assignment with a penalty, which will also be determined by the teacher.
- C. The assistant principal will document the Honor Code Violation in Infinite Campus as an academic offense on the discipline record.
- D. One or more of the following sanctions *may* be facilitated by the assistant principal if applicable:
 - Ineligibility for school awards/scholarships/ leadership positions for the academic year
 - Demotion from positions held in clubs, organizations, including athletics
 - Suspension and/or removal from clubs and activities as outlined in either national or local school constitutional by-laws or guidelines, including athletics. Many national honor organizations have consequences outlined in their Charters and the local school administration will not contradict those Charters.
 - Members of competitive organizations may be suspended from 10% of the in-season contests.
 - As with all discipline consequences, these consequences may be adjusted based on the discretion of the Principal.
 - Teachers do have the option of addressing academic dishonesty issues within their classroom discipline procedures. It is important that teachers are consistent in assigning discipline for academic dishonesty. However, the administration may intervene in the assignment of discipline consequences

Roswell teachers are asked to have all students write the following on all formative and summative assessments (or whenever else the teacher feels it is appropriate):

“I have neither accepted nor provided any unauthorized assistance on this assignment.”

When students are aware of an Honor Code violation, they should report the violation to a teacher or an administrator.

Based on the severity of the incident, teachers may elect to deal with Honor Code infractions regarding homework, class assignments, and quizzes while administrators will meet with student, parent(s), and teacher to deal with infractions regarding tests, research and major papers, etc.

Per Fulton County Policy, students may ride/board/exit only their assigned bus unless approved by an administrator.

Student Clubs and Organizations

Students who are involved in clubs and organizations are better-rounded, involved and successful students. Clubs and student organizations expose students to a multitude of ideas and philosophies that promote stronger academics, build leadership qualities, create ties to the community, and encourage service. Clubs and organizations are designed to complement the academic mission and vision of the school.

Guidelines for Chartering Clubs and Organizations

Guidelines for creating a club or school organization will follow school-board policy and will meet the following requirements:

1. New clubs will only be started during the club window which are August 19, 2019 – August 30, 2019 and January 6, 2020 – January 31, 2020.

Student Health

Student Health Services requires that students who are sick, contagious and/or have a fever greater than 100.4 must not be sent to school. In order to return to school, a student should be fever free for at least 24 hours. If a student becomes ill at school, the student must report to the clinic immediately. In the event a student runs a fever, has a potential contagious illness or a more serious health problem while at school, the parent will be notified to pick up his child immediately. We will not allow a student to drive himself home if he does not seem able to do so safely. A note may be needed from a doctor in order for a child to return to school. It is the parent's responsibility to keep the student's health and contact information updated.

Friends/relatives should be listed as emergency contacts for students when parents cannot be reached. This is extremely important if parents are unable to pick up their children in an emergency. It is best for students to take medication at home, before or after school. High school students may carry medications in the following categories (acetaminophen, antacids, aspirin, cough or throat lozenges, ibuprofen, and oral antihistamines) with them during the school day, field trips or other school-related activities (no form necessary). Medications must be in the original containers and can never be shared with other students. This privilege can be revoked at any time if a student is not complying with the medication policy. With the proper forms completed, we strongly encourage students to carry emergency medications such as Benadryl, inhalers, epipens, and diabetic medication in addition to keeping a "back up" in the clinic. Controlled substances must be appropriately stored in the clinic. The clinic does not keep a supply of ibuprofen, acetaminophen, or any other over-the-counter medicines and cannot dispense them. If parents need the clinic to administer, supervise, or store any medication, an authorization form with a doctor's signature needs to be provided with the medication in the original bottle. Please contact the clinic at extension 44640 with any questions or concerns.

“The Hub” at Roswell High School

Roswell Student Services created “The Hub,” a new student-centered space for college and career preparation, student seminars, parent coffee talks, and student mental health support as needed. It can transform from a quiet place for students to “chillax,” to a busy work space, with students and parent volunteers exploring post-secondary options. Programs provided in The Hub include College Visits, Career Seminars, Test Prep support, College Exploration and Application help, and study space during lunch, to name a few. The Hub is located in the Student Services Office, next door to the clinic.

Student Records

Roswell High School complies with the Federal Education and Right to Privacy Act (FERPA). Student attendance, discipline, academic, or any personally identifiable information in education records other than directory information, shall NOT be released unless:

- There is written consent from the student’s parents specifying records to be released, the reason for such release and to whom.
- Such information is furnished in compliance with judicial order or pursuant to any lawfully issued subpoena provided that parents and the students are notified of all orders or subpoenas in advance of compliance.
- Such information is furnished to teachers with legitimate educational interests or officials of other schools or school systems within the public schools of Georgia in which the student seeks or intends to enroll.

- Consistent with Fulton County procedure, a student's discipline or attendance records are not part of a student's permanent record. Therefore, Roswell High does not forward discipline or attendance records to a college unless specifically requested by the college or university.

Vending Machines

Roswell contracts with various companies to provide vending machine services to students. These companies are required to comply with all federal, state, and district regulations regarding the selling of food items on campus during school hours. As these vending machines are not operated by the school, the school does not provide refunds. Contact information for all vending companies is located on the machines. Students may not visit vending machines during lunch or class without the permission of staff member.
