

Summer School

2019-2020 School Year

Summer School is an opportunity for Fulton County high school students to accelerate or recover credits during the time between school years. Face-to-face and virtual offerings exist, and often provide students with a broader array of options than those available during the school year.

The summer sessions are condensed versions of content provided during the school year. Students must have their course requests validated by their counselor before being enrolled. Typically, tuition is required, and transportation is provided between selected locations.

For summer 2020, students who have previously failed a course have the opportunity to retake the course for free. Students may take up to two credits at no cost through Face-to-Face Summer School and/or Fulton Virtual School. Any additional credits will require tuition.

If you have questions about summer school, please contact your student's school counselor at his/her local high school. After June 3rd, please contact the summer school location serving your student's high school.

Face-to-Face Courses

The following courses are available for students who have not passed first and/or second semester. Students can only take one content area during face-to-face summer school. These courses are not available to first-time course takers. Students wishing to accelerate their learning and take one of these courses for the first time during the summer may register for the course through Fulton Virtual School.

- Grade 9 Literature and Composition
- American Literature
- GSE Algebra I
- GSE Geometry
- Biology
- Physical Science
- U.S. History

The following courses are available for students who need to repeat the course or take it for the first time.

- Personal Fitness (Please note this is the only course with an end date of June 26, 2020.)
- Economics

Tuition

1/2 Credit = \$225 (\$180 with free/reduced meal status) per course

1 Credit = \$450 (\$360 with free/reduced meal status) per course

*Students who need to retake a class may attend summer school provided by Fulton County Schools through Face-to-Face Summer School and/or Fulton Virtual School at no cost up to 2 credits. Additional credits/courses require tuition.

Transportation

Abbreviated transportation is available for summer school. Please check the Summer School website for specific stop and time information for your student.

Fulton Virtual School (June 3-July 15, 2020)

Fulton Virtual provides online learning options for middle and high school students throughout the district, enabling greater flexibility for students aiming to recover credit or accelerate classes. Fulton Virtual courses are teacher-led; instructors work with students, parents/guardians and other interested parties (e.g., counselors) to deliver course learning objectives and support the academic needs of each student. The offerings of Fulton Virtual School provides varied and dynamic content, user friendly customization and personalization options, as well as opportunities for students at earlier ages to engage in learning virtually. **Students can expect to spend 3 hours per day for**

each semester course taken in the summer term.

Courses *Course requires an EOC

All Fulton Virtual School summer course selection questions should be directed to your home school counselor.

Fulton Virtual Online Registration

<http://fulton.geniussis.com/PublicStudentCourseRegistration.aspx>

Parents and students request courses through the Fulton Virtual School web page. Once a course request has been created, an email is sent to the student's home school for review by the counseling staff. The review and approval process takes about 2 weeks. If it is approved, a follow-up email is sent to the parent/student requesting that they log back in to fulton.geniussis.com to pay for their courses (if applicable).
